

PIOTR SŁOBIŃSKI

FULL STACK DEVELOPER

A diligent full stack developer with expertise in **HTML**, **CSS**, **JavaScript/TypeScript**, and **React**, I create intuitive and secure interfaces by combining my creative and **analytical skills** with robust **security** measures. My diverse background in **programming**, property management, and pilot training allows me to adapt to challenges, work closely with teams, and **deliver high-quality web applications**.

EXPERIENCE

2023 - present

- **Mate Academy Full Stack Developer**

I have developed skills and expanded knowledge in programming in **JavaScript and TypeScript**, including **object-oriented** programming, as well as modern **frameworks** and **libraries** such as **React**, **Redux**, **Node.js**, **CSS frameworks (Bootstrap, Tailwind)**, along with utilizing **testing (JEST, Cypress)** and 'mobile first' approach in building **responsive web applications**.

2022 - 2023

- **Freelancer**

As a freelance web developer, I have leveraged my technical expertise to help small business clients achieve their goals by **designing, building** and **launching custom websites** that effectively **engage visitors**.

2019 - 2022

- **Coordinator of the Ukrainian team of construction foremen**

As a Coordinator of the Ukrainian team of construction foremen, I leveraged my leadership, communication, and problem-solving skills to effectively manage crews of up to 20 workers and ensure timely completion of complex commercial construction projects.

2015 - 2019

- **Management of housing communities / property management**

As a property manager, I oversaw 12 residential buildings comprising 800 housing units by implementing operational improvements.

2014 - 2015

- **Student at Bartolini Air in the pilot training program**

I completed over 200 hours of hands-on training in technically advanced aircraft with scores averaging above 90%, earning a pilot license for single-engine airplanes by demonstrating precise flying skills during examinations.

2003 - 2010

- **Owner of a renovation and construction company**

As owner of a construction company, I managed over 10 residential renovation projects with a crew of 10 - implementing cost and time efficiencies to grow average project profits by 20% while maintaining high customer satisfaction.
